Custom-made Crew

OPTION 1-Customized Crew

All items are available in the Campus Crew range without branding. Therefore you can use your own logos or marks to re-brand clothing to suit your needs. Simply select your item and chose a method of application and the Campus Crew team will do the rest.

See below some of the common methods of re-branding;

- Printing
- Embroidery
- Embroidered Badges
- Woven Badges
- Fabric Appliqué

OPTION 2-Crew Designed

The Campus Crew team can also create unique custom styles. Contact your representative to discuss minimum quantities and delivery turnarounds.

The Campus Crew team will then arrange a time for our design team to sit down and create a unique range for your organization.

Crew Catalogues

In conjunction with the creation of your clubs custom made range the Campus Crew team will assist in getting your product to the desired market.

The Campus Crew team will create the appropriate material for organizations supporters and members to access there unique ranges.

Common methods are listed below (see example of a team order form to the below):

- Mail order
- Fax order
- Phone Order
- Web store*

***Web store**

Each customized Crew club has the ability to access the Campus Crew Club store and advertise products online. The site is fully functional and allows its members to make purchases 24/7. Orders are then processed on the behalf of the organization. This can either be handled on site or offsite depending on the desired relationship between Campus Crew and the Club/organization. For a demonstration please contact your Campus Crew representative.
